## Weddings *at* Wildman BT

Built in 1914, the Wildman Boiler & Tank building was revitalized in 2020 to its original architectural finish with an updated design for the discernible modern audience.

# Lofty. Posh. Perfect.

## WILDMAN BT IS A SPECIAL PLACE FOR WEDDINGS.

Unassuming on the outside, magnificent on the inside, your guests will be transfixed in the moments of your big day. The natural light streaming from double clerestory windows, warmth of the century old exposed brick, and luxury in the details designed in the space provide an incredible surrounding for the day you both say, I do.

## FOOD & BEVERAGE

We want you and your guests to have an exceptional experience at Wildman BT and Catering is an essential part of your event. We feel confident about recommending each caterer on our **Preferred Catering List** because we've personally seen the exceptional service, teamwork, experience and delicious food they've each brought to our clients' special events!

You'll find a wide array of cuisine options, cultural traditions and price points to choose from and we're happy to help you narrow down the list to explore and select caterers who reflect the food and experience you are hoping for on your wedding day.

One key feature at Wildman BT is that we are a **BYOB Venue** - which means you have the option to purchase your favorite beer, wine and spirits directly from a licensed liquor store like Garfield's Beverage Service or Prestige and have it delivered directly to the venue for your caterer to serve.

This option allows you to customize your bar offerings to what you and your guests like to drink, and at the end of the evening - anything that is unopened or unchilled can be returned for a refund!

From signature cocktails, a cold chilled beer and delicious non-alcoholic options, each of our Preferred Caterers has the required licensing and talented bar staff to serve and take care of all of your bar service needs.

You can also bring in your favorite specialty desserts, late night snacks or have your favorite food truck drive right into Wildman BT. Ask us for our favorite recommendations!
