

WILDMAN BT

Weddings *at* Wildman BT

Built in 1914, the Wildman Boiler & Tank building was revitalized in 2020 to its original architectural finish with an updated design for the discernible modern audience.

Lofty. Posh. Perfect.

WILDMAN BT IS A SPECIAL PLACE FOR WEDDINGS.

Unassuming on the outside, magnificent on the inside, your guests will be transfixed in the moments of your big day. The natural light streaming from double clerestory windows, warmth of the century old exposed brick, and luxury in the details designed in the space provide an incredible surrounding for the day you both say, I do.
